

The Dimmer View

BY MAX GOODWIN

For those who like advance information. Look for Tom Warburton, former president of the Lemon Grove Kiwanis club, former assistant principal at Helix high school, and present principal at Grossmont executive national award.

He'll be named National Principal of the Year by Kraft Publications.

This scoop will be corroborated next week by district and county school officials who will be non-plussed by this disclosure because they wanted to keep it a deep, dark secret until they had their ducks lined up for gaining the maximum national attention for their district.

Warburton is only 37 and is said to be the youngest principal to be so honored.

We carry on a nasty little prank which distresses no one but ourselves.

This prank consists of listing on a piece of scratch paper the annual income of elective officials, and some appointed ones, as their pay becomes newsworthy. Then we divide this by 52.

This tells how much the official makes a week.

Not that we feel these guys aren't entitled to every penny they earn, particularly, but since most of us draw wages in terms of weekly or monthly amounts, reader comparison is made by the 52 weeks reduction.

Our little gambit has been getting a heavy workout since the first of the year. It started when the elective officers of the county got a boost in pay effective at high noon January 5. The new scale runs roughly from \$15,000 to \$20,400 a year.

The lower amount is \$288.46 a week. The higher amounts to \$392.26 a week.

For example:

The county coroner and public administrator gets \$14,760 a year. That's \$283.84 a week.

The assessor gets \$18,000 a year. That's \$346.15 a week.

The tax collector gets \$14,760 a year. That's \$283.84 a week.

The sheriff gets \$19,800 a year. That's \$380.77 a week.

The county clerk gets \$15,990 a year. That's \$307.50 a week.

The district attorney gets \$20,400 a year. That's \$392.26 a week.

Grossmont hospital district trustees raised the salary of the hospital's capable administrator earlier this month. They raised it \$800 a year. That's a \$15.38 a week raise. He now makes \$16,000 a year. That's \$307.69 a week.

The county is seeking a replacement for retiring Road Superintendent Joe Mack. They are offering \$17,772 a year for the right person. That's \$341.78 a week.

If our nine-year old kid reads this we're sunk.

We'll have to raise his allowance.

No. 22

Lemon Grove, California

THURSDAY, JANUARY 15, 1959

10¢ PER COPY

Fire Limits Removed By Two Stations

Burning restrictions for residents of Spring Valley and Lemon Grove have been lifted, according to Fire Chief Donald Clark of Spring Valley and Fire Chief H. O. Hensley of Lemon Grove.

Residents of the two communities, because of recent rains, can now burn trash and grass during daytime hours. Permits are still required in Lemon Grove, however, except for incinerator burning. The "fire season" will begin again April 15.

Burning hours for Lemon Grove residents are 6 a.m. to 6 p.m. Burning formerly was confined to 6 a.m. to 9 a.m. and 6 p.m. to 9 p.m.

Action at the Lemon Grove Fire Department was also at a minimum. LG firemen made only two "runs."

The first "run" was made Sunday when a half acre of grass burned at 7049 Central avenue.

The second was made on the same day when a resuscitator was requested for Margaret Scheffeld of 7543 Broadway, who had difficulty breathing. She was taken to her physician.

The Spring Valley Fire Department was called into service on only one occasion since January 7. That was when the ambulance rushed Herbert Preston of 10390 Loma Rancho, a volunteer fireman, to Grossmont hospital.

BOOK BEQUEST—The Lemon Grove junior chamber of commerce Wednesday of this week inaugurated a campaign to increase the number of books at the Lemon Grove library. The Jaycees are canvassing the area door-to-door requesting books of all types to add to the library bookshelves. Collection points where books can be dropped off are located at the postoffice, Marsi's, Del's U-Wash, Jack-In-The-Box and the REVIEW office. In photo above, Mrs. Joe Payson hands books to Joe Payson, left, and Jay White, to demonstrate what housewives are asked to do when Jaycee members knock at their doors. Payson is president of the local chamber of commerce and White is a director of the organization. The "Operation Library" book campaign will end January 28. Books will be picked up if residents call HO 3-4982. Money may also be given instead of books.

To Open In Spring, 1960

Work Started On College-Grove Center Following Contract Awards

Contracts were signed Friday for the construction of the \$14,000,000 College-Grove shopping center to be built at College and Broadway and actual work started Monday.

The announcement was made by Michael C. Birnkrant, Los Angeles financier and principal owner of the project. He said the area.

Contracts were also awarded to the following firms: Hood Construction Company, outside utilities; Hickman Brothers, plumbing; Jackson & Blanc and University Mechanical & Engineering Contractors, heating, ventilating and air conditioning; Grady-Ling and Fischback & Moore, electrical; Grinnell Company, fire protection; and Stephens-Adams Manufacturing Company, bulk loading.

One hundred and thirty general contractors, electrical contractors, plumbing contractors and others figured in the original bidding. Sub-contracts were bid by more than 40 local and out-of-town contractors for paving, plumbing, electrical installations, escalators, elevators, etc. Three hours were required to open and read all bids, which were then tabulated and forwarded to Seattle for analysis by John Graham and Company, project architects and engineers.

College Grove Center, first regional shopping center in San Diego County, will be located on a 70-acre site at the intersection of College Avenue and Freeway Route 94. The Center will open in the Spring of 1960.

Ground-breaking ceremonies were held last April when excavation at the site first got underway. Nearly a million cubic yards of dirt were moved to level the hillside tract and make way for the new Center.

The multi-level Center will feature several innovations, including an electric carillon, a non-denominational chapel, outdoor escalators and complete air conditioning throughout.

The Phillip Lyon Company, leasing agent, announced that lease commitments on more than 80 percent of the Center have been made.

Major lessees include the Walker Scott Company, which plans a department store half again as large as its downtown San Diego store, occupying 160,000 square feet; J. C. Penney Company, more than twice the size of Penney's largest store in the San Diego area; Security-First National Bank; Hartfield Stores, Inc.; Lawson-Schiller Jewelers; Central Federal Savings and Loan Association; J. J. Newberry Company; Leed's Shoe Stores; Safeway Food Stores; F. W. Woolworth; Copper Penny Restaurants; Bond Clothes; Longs Drugs; and many others.

Budget Upped To \$7,900

Chamber Hires Manager, Moves Office In 1959

A new, "bold" operation plan for the Lemon Grove chamber of commerce was approved Thursday of last week by the 1959 board of directors when they met for the first time under the presidency of Bill Parker.

The directors approved an operational plan set up by a committee of three by which the chamber would have 1. an office on Broadway; 2. a salaried manager, and 3. a budget three times as large as the preceding year.

The new office will be located at 7350 Broadway, halfway between Massachusetts and Imperial, on the north side of the street. Rent is \$45 a month. The plan was presented by Bob Vaught.

Jesse E. Lee, a retired navy captain, was employed as manager of the chamber at a salary of \$150 a month plus 25 percent commission on all new members he signs up.

The operating budget will be \$7,981 for this year. Last year it was \$3,000 but the chamber raised an additional \$14,000 to pay the costs of bringing about an election on incorporation. The election failed 2,783 to 2,301. Committeemen were Earl Nelson, William Paul and Robert Vaught.

Larry Folda, ways-and-means chairman, spelled out a program for raising money for the 1959 budget included \$2,500 the chamber owes to the firm which conducted the incorporation program.

Folda listed income as membership dues, \$4,000; sale of keys left from the incorporation program, \$1,000; a Las Vegas door prize project, \$2,500, and an event yet to be decided upon for the amount of \$461.96.

SCOTT OFFERS \$2,500

George Scott, a principal in the College Grove shopping center who was recently elected to the chamber board, said he would

pick up the tab on the deficit of \$2,500 when some of the members demurred on "deficit spending."

Scott said the offer was consistent with his actions in the past (he matched 50 percent of all funds raised by the chamber last year.) He additionally said the chamber had become admired and respected for the hard hitting program developed last year.

Scott said there were strong, outside influences which defeated the chamber's major project, incorporation. This should make for an even stronger organization, he said. "It is an interesting fact that most of the world's good is the result of evil action," he said, citing wars as an example.

President Parker said that committee work would be spread out in the membership this year. Greater co-operation between the

(Continued on Page 6)

C of C 'Spit and Polish' Vital, Reed Tells Group

More than 100 members and guests attended the chamber of commerce annual installation dinner Monday night at Michael's.

Bill Parker, manager of the Pacific Telephone company, La Mesa branch, was installed president and Jim Spears, local Ford dealer, was installed as vice president.

Five new board members were also installed. These are: Mrs. Connie Carlton, Dr. Donald Johnson, George A. Scott, A. E. Bob Howell and William B. Paul.

Bob Turnbull, a Lemon Grove youth who is attracting attention in Hollywood in movies and television, brought two movieband residents with him and the trio shared the spotlight as guests of honor. They offered an amusing skit in pantomime, a satire on western shows. With Turnbull were Frank Jamison and Bob Hensley. Hensley, a musician, has composed more than 100 songs.

Ernest Newton, retiring president, said the past year had produced many problems, particularly the project involving incorporation. He pictured more problems, and more successes, for the current year.

Bill Parker reeled off several major projects that would attract the attention of the 1959 chamber. He listed some of them as Broadway improvement, parking, shopping centers studies, assistance to the merchants' division of the chamber, road and streets repair study, local police

protection, and membership. He said the chamber would earn its way all year. Bill Sample, vice president of the San Diego chamber of commerce, was installing officer.

Carlyle Reed, who represents the publisher's office of the San Diego Union and Tribune, was guest speaker. As a former newspaper publisher in the area, he was able to provide a picture of the community several years ago when he "solicited advertising from the lumber yard and the grocery store and that was the business district."

Reed painted a picture of the future in which business firms

School Bd. Postpones Land Sale

Trustees of the Grossmont Union high school district Monday night postponed the sale of 29 acres of land owned by the district. Nine acres is located near the Meridian school in El Cajon and 20 acres are located at Fourth and Madison, just outside of the city. Trustees expected to open bids at the Monday night meeting but none were submitted.

The land was bought by the district for school sites, but a change in the location for a junior college rendered the land unnecessary, according to Lewis Smith, district superintendent.

Twenty-five property owners living adjacent to the 20 acres protested the sale Monday night. Postponement of the sale was suggested by trustee Rexford Hall, who said the delay should be made until the El Cajon city council takes action to annex the land to the city.

In other action, the trustees appointed two vice-principals in the district. They are John Burdick at Grossmont high, teacher and advisor to the student body; and Robert Burnham at El Capitan high in Lakeside. He is currently a teacher and counselor at Grossmont high. The trustees also accepted the resignation of William Beack, teacher at El Cajon high.

Smith said Tom Kida, area farmer, had renewed his lease for one year for 70 acres of the Grossmont high school district's land along Sweetwater Springs boulevard.

Reed painted a picture of the future in which business firms

(Continued on Page 6)

Judge "Good" After Surgery

El Cajon Municipal Court Judge Fenton Garfield was listed in good condition early this week at Grossmont hospital. He suffered a major abdominal operation last week.

He is expected to remain in the hospital at least another week and will be absent from the El Cajon court bench for about six weeks, his wife said.

Judge Garfield became ill suddenly on Monday of last week and was taken to the hospital two days later for an emergency operation to remove an intestinal obstruction.

Planning Commission Delays Decision On Swim Club Expansion

SAN DIEGO (CNS)—Action on a proposal to expand activities at the Carman Ranch Swimming Club in Lemon Grove, was put off for two weeks by the county planning commission at its ses-

sion Friday.

The commission had been asked to approve issuance of a permit for construction of another pool, tennis courts, a clubhouse and nine duplexes.

One neighbor protested, on the basis of the club as a nuisance factor because of its loudspeaker, but another neighbor said, "the pool is quiet and battened down early."

Mrs. Elda Carovano, one of the owners of the club, said that any conditions imposed by the commission as to restriction on noise would be met.

The hearing on the permit was continued to give applicants for the Permit a chance to submit a schedule to be followed in erection of the units planned. Mrs. Carovano said the pool and the play area would come first, with the clubhouse definitely planned.

She explained that it was necessary to build up membership to provide a basis for some of the expansion.

The commissioners asked for the detailed information, they explained, because the erection of nine duplexes would ordinarily require the filing of a subdivision map. They said they wanted to be sure this was "a genuine club project" and not just a plan to rent duplexes.

\$5,000 Window Damage In Air Gun Spree By Teenagers

Sheriff's deputies reported this week they had turned over three teenage boys to their parents following the youngsters' admission that they had taken part in a two-day compressed air pellet-shooting spree which did damage to auto windshields and house windows in the east county area.

Sheriff's Deputy Sgt. Bob Ryan said the damage occurred mostly in the Mt. Helix, Calavo Gardens, and La Mesa areas. Local area damage was reported on Bancroft in the vicinity of Eucalyptus Park and the east end of Campo road. No damage was reported in Lemon Grove.

There were four boys involved. One, a 13-year-old, was exonerat-

ed when he proved he was a passer-by and had not taken part in the spree. The other boys are 15, 16 and 17 years old. All of them live in East La Mesa.

The boys admitted they fired pellets at night from a moving auto usually at picture windows framing lighted Christmas trees. Sgt. Ryan said the boys would speed down a residential street pumping pellets into every auto on the street. The game was to see how many windshields they could hit before a "miss out."

Guns used by the boys fire metal pellets propelled by compressed carbon dioxide. One gun was a rifle. The other was a rifle cut down to pistol size. Both

guns were found buried in a vacant lot in La Mesa.

Ryan said six cases of damage were reported Sunday of last week. Eighteen were reported the following day.

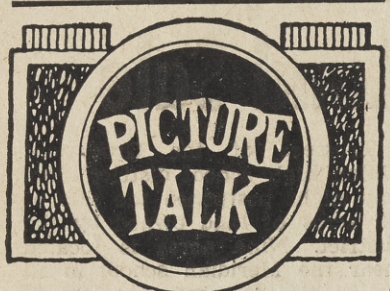

Deputies said they expected to hear of more damage following the apprehension of the boys.

Deputies are also checking out burglaries involving a sporting goods store, a department store, a medical center and a home, some of which they think may have been perpetrated by the youths. The youngsters could give no reason for the window-breaking spree. They were released to their parents. The parents indicated full cooperation.

Scout Leaders In Biggest Meet

LITTLE CAMERA, BIG RESULTS

From what we see in our own store and hear in the business, one of the hottest things in photography today is the 35mm camera. Its popularity has been growing steadily for a couple of years and right now it's at its peak.

What's the reason? We'd say it was a number of things. First of all the 35mm camera is compact, easy to carry around. So it makes a good traveling companion. Then, too, it uses low-cost 35mm film that gives you as many as 36 pictures on a single roll of film.

But probably the biggest reason of all is the way this miniature camera captures color in brilliant slides.

Once people see their slides projected life-size they are sold on 35mm picture-taking for life. And no wonder. The colors sparkle. The detail is so sharp you almost feel as if you can step into the scene.

Of course the introduction of 135 Kodacolor film for color snapshots with 35mm cameras hasn't hurt either. It has made the camera more versatile than ever.

Is 35mm photography for you? Well that's for you to decide. Good place to make up your mind is at our counter with a Kodak Pony 35 mm Camera in your hands.

County Council, Boy Scouts of America, being staged this year in the Conference Building in Balboa Park, San Diego.

Over 1,400 Scouters and friends of Scouting are expected for the dinner, which starts at 6:30 p.m.

Whitney F. Hindes, district chairman for the Grossmont district which includes this area, said many units from here are planning to participate.

The program will be highlighted by the presentation of the coveted Silver Beaver awards for distinguished service to boyhood, the highest honor that can be bestowed by the San Diego County Council, Chairman Soule said.

Diapers For 24,000

County Baby Production Hits Record Total In 1958

For San Diego County, 1958 was a bumper year in babies. Heart disease continued as the leading cause of death. The year saw poliomyelitis in this county at an all-time low. It was a mild year for measles and mumps.

It was another year without a single case of smallpox, diphtheria or rabies reported in the county.

These were the public health highlights of 1958 reported yesterday by the San Diego Department of Public Health.

Dr. J. B. Askew, director of public health, said a preliminary count of the 1958 birth records

for county residents indicates they will approach the 24,000 mark for an all-time high. The previous record was set just a year ago when 1957 births totaled 23,464.

In relation to total population, however, the county in 1958 brought babies into the world at a slower pace than in the year before. The birth rate per 1,000 population dropped from 26.1 in 1957 to an estimated 25.4 in 1958, Dr. Askew said.

Deaths, on the other hand, held almost even, he reported. Dr. Askew predicted a total of 6,580 resident deaths for 1958, only about 100 more than in 1957. He estimated the county death rate per 1,000 population to be 7.0 in 1958, compared with 7.2 in 1957.

The leading causes of death in San Diego County in 1958, Dr. Askew said, took this rank order: heart disease; cancer; vascular accidents affecting the central nervous system; all accidents; certain diseases of early infancy; influenza and pneumonia; congenital malformations; cirrhosis of the liver; suicides; and arteriosclerosis.

Of accidents, Dr. Askew said that motor accidents accounted for 45 percent of all accidental deaths in the county during 1958, as compared to 49 percent in 1957.

"Our number one problem here is still a sanitation problem," Dr. Askew said. "Our efforts to reduce the pollution of San Diego Bay are only stop-gap measures at best. Our county is in serious need today of an adequate sewage collection, treatment and disposal system for the entire metropolitan area. In not very many months that need will be desperate."

OFFICIAL VISIT TO AREA OEA SET

BY DEPUTY GRAND MATRON
Deputy Grand Matron Betty Froyck, 93rd district, will make her official visit to the La Mesa Order of the Eastern Star number 300, January 20. The meeting will be held in the La Mesa Masonic temple, 4731 Date street, La Mesa, at 8 p.m. Laura Crickmore will be chairman for the evening.

County Registrar Of Voters Drops 70,620 Persons From Voting Rolls

The county registrar of voters has announced 70,620 persons were purged from the voting rolls on January 1 for failure to vote at either the preceding primary or general election.

In the 80th assembly district, 17,427 persons were struck from

the rolls. The breakdown shows 8,010 Republicans, 8,513 Democrats, six Prohibitionists, eight miscellaneous and 890 persons with no party affiliation were dropped from the rolls in the district.

These persons may reregister, and other persons eligible to register may do so at the office of the registrar of voters, any civic center, or with 185 deputy registrars throughout the county. The location of the nearest deputy registrar may be obtained by calling the office of the registrar of voters, CY 8-4181, extension 301.

Who is eligible to vote? Any one who on the day of election is at least 21 years of age and a citizen of the United States for at least 90 days; a resident of the state of California for one year, and the county of San Diego for 90 days. In order to vote, a person must be duly registered, able to read the Constitution in the English language, and write his or her own name.

The following schedule shows the final day to register for the various coming elections: January 15, San Diego municipal primary; February 26, San Diego general municipal; and March 26, school district governing board members.

Education Aids To Be Displayed At School Show

The San Diego-Imperial section of the California Association of Public School Business Officials will sponsor a showing of special instructional equipment and supplies in the conference building, Balboa Park, San Diego, on Thursday of this week between 9 a.m. and noon and 1 p.m., and 5 p.m.

Exhibits will include workbooks, blocks, teaching aids such as flash cards, peg boards, etc. wheel goods, cots and mats for child care, playhouse equipment, models and cutaways of playground equipment, and others.

School administrators, business officials, principals, teachers of kindergartens and exceptional children classes and others are invited to attend. A luncheon will be held at 12:15 in the House of Hospitality, Balboa Park, for school officials and representatives of vendors whose products are on display.

The committee for arrangements includes Mrs. Elizabeth Kubie, purchasing agent, Grossmont Union high school district; and Mrs. Mamie Terpening, purchasing agent, La Mesa-Spring Valley school district.

Two L. L. Diamonds Ok'd For Rolando

SAN DIEGO (CNS)—The county planning commission Friday approved a permit for two Little League diamonds on county property in the Rolando area of Lemon Grove, overriding the recommendations of its own staff.

The county's parks and recreation department asked for a permit for two diamonds, refreshment stands, service buildings and toilets. The planning staff said there was room for only one diamond, if sufficient parking were to be provided.

The planning staff also recommended that no loud speakers or lights be permitted and that playing be confined to 4:30 to 8 p.m. weekdays and 9 a.m. to 4 p.m. on Saturdays. No playing at all was to be allowed until Vigo drive extension was accepted as a county road.

Civic groups, property owners and Little League representatives were represented at the hearing.

There were no protests against the Little League, although some owners of adjacent property wondered how it would affect property values in the area.

Insurance Groups To Sponsor Uninsured Motorist Protection

A group of insurance firms representing 532 members doing 79 percent of the automobile liability insurance business in the United States took first steps this week to protect their policy holders from loss resulting from accidents involving uninsured motorists. Some insurance firms are already making such protection available.

The group proposed uninsured motorist protection for all companies among their policy holders up to financial responsibility law limits. In California, bodily injury liability limits are \$5,000/\$10,000 and \$1,000 property damage liability. This is to be upped in July to \$10,000/\$20,000 and \$5,000 property damage.

In recent years, various insurance firms have been seriously at odds on proposals for compulsory insurance, unsatisfied judgment funds and other programs

to deal with the irresponsible (uninsured) driver.

No indication was given as to what the added cost of such coverage would be.

Other traffic safety proposals sponsored by the group are: more effective enforcement of motor vehicle laws, chemical tests for intoxication, no-fix traffic tickets, point system of driver control, driver education, tighter licensing requirements for youthful drivers; re-examination of drivers; pedestrian controls, and sanctions on habitual users of alcohol and narcotics.

The group also proposes setting \$50 of property damage at the reportable level. It is now \$100 in California.

They propose to make a California law a nationwide one in which all bodily injuries must be reported, and to extend the financial responsibility law requirements to all moving traffic viola-

Gibbs To Demonstrate Art Technique At L.M.

The January meeting of the La Mesa Foothills art association will be held in the La Mesa elementary school, Orange Avenue, La Mesa, January 21 at 7:30 p.m. James Gibbs, chairman of the art department of Crawford high school, San Diego, will demonstrate casein painting. Gibbs is past president of the San Diego Art Guild, and is now a member of the Allied Craftsmen.

tions instead of merely for accidents.

Another important proposal would suspend the license and registration of both the owner and the operator of all uninsured vehicles involved in either a reportable accident or a traffic violation.

A sub-committee of nine industry members is continuing its study on how best to implement the proposals.

Highway 94 Plans Revealed At Meet

The state division of highways is studying plans to extend highway 94 freeway from La Mesa to Sweetwater river, Jacob Dekema, district engineer, told members of the Highway 94 club last week.

Dekema said the highway extension, still in the early study stage, would serve residents of Spring Valley, Casa de Oro, La Presa, Jamul and Jamacha.

Highway 94, at present, leaves the freeway at La Mesa and continues on to highway 80. Construction of the freeway extension is several years in the future, Dekema said.

William Averill was installed president of the highway 94 club at the meeting, along with other officers. They include Mrs. Charlotta Holcomb, first vice president; F. Bud Miller, second vice president; Mrs. Yvonne Beckett, secretary, and George Taylor, treasurer.

Campfire Girls' Peanut Sale Due

The seventh annual peanut sale of the San Diego County Council of Bluebirds and Campfire Girls will get under way Friday of this week and last until January 31. The goal for this year is to sell 125,000 cans. Last year's total was 117,000.

Proceeds from the sale will go toward helping the girls attend summer camp in the Cuyamaca mountains and the camp in Balboa park.

The peanuts will sell for 50 cents per can. The County Council of Campfire Girls gets 22.4 cents of the 50 cents and each unit in the county gets three cents of the 22.4 cents.

Girls in the Spring Valley, Lemon Grove and La Mesa areas are in District 8. They will be knocking on your doors soon.

Grossmont Adult School To Teach Basic Three R's

In response to many requests of persons who find it necessary to review their elementary school

work, Grossmont adult school has announced the opening of an "Elementary Review—Basic 3 R's" class to be held next semester beginning in mid-January.

Many adults, said director John W. Davis, who have been somewhat inactive in the use of reading, writing and arithmetic which they learned in earlier days, now find it essential and advantageous to be more familiar with the use of the three R's in their daily lives.

The first class will open at El Cajon Valley high school, 7 p.m. Monday and subsequent classes will be held from 7 to 9:30 p.m. every Monday and Wednesday evening thereafter for the remainder of the semester.

Other new classes included in the Grossmont adult school's curriculum are French, Spanish, German and Russian language courses and a business letters class. The school lists approximately 25 new courses.

The French class begins Monday at Grossmont high school in room 61, 7 to 9:30 p.m. Classes will be held on Mondays and Wednesdays. Miss Hilda Nelson is the instructor.

The beginning Spanish class begins Tuesday at the high school in room 31 from 7 p.m. to 9:30 p.m. Raul Rosado is to instruct.

A new class in beginning Russian will open at Grossmont high Tuesday and will continue on Tuesdays and Thursdays from 6:30 to 9:30 p.m. in room 58. Helen Kytasty is the instructor.

The German class will meet on Tuesdays in room 61 at Grossmont high from 7 p.m. to 9:30 p.m., beginning Tuesday of next week.

The business letters class hours will be held from 7 p.m. to 9:30 p.m. on Tuesday evenings, starting Tuesday of next week in room 29 at Grossmont high. Victor Kleber will teach.

Additional information about all classes can be had by calling the Grossmont adult school office, HO 6-4155, extension 21, or the Helix adult school office, HO 3-8717.

☆ Planning to move? Hire only a reliable firm, get a firm's estimate in writing, and obtain insurance protection against loss or damage, your San Diego Better Business bureau advises.

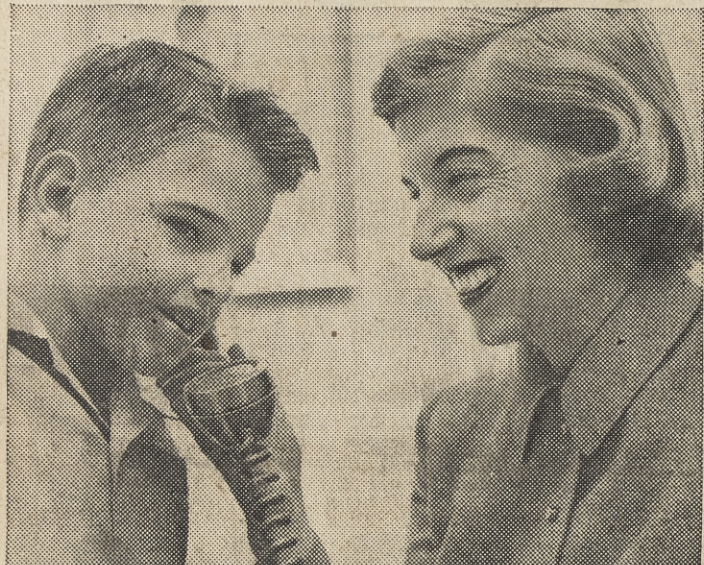

WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Clock stopped? Every day, thousands of folks here in the Pacific West get the correct time from us. In many places, they just dial a number. This connects them with a machine which automatically gives the correct time. In other areas, local operators are always ready to give you the time. Of course, you may not need to use this service every day — but it's nice to know the correct time is as near as your phone. And this service is just one of the many useful "extras" that adds value to your telephone.

WHAT'S BEHIND YOUR DIAL?

Ever wonder what goes on when you turn your telephone dial? Many folks do, judging from the groups we enjoy taking through the electronic switching centers each week. Group tours for all ages groups are available with a guide who explains this fascinating equipment in non-technical terms. A visit to our local HOPkins switching center on Lemon Avenue in La Mesa enables you to see how you get to friends and neighbors in this community and in San Diego. You'll also see our "nerve center" where installation, repair, and testing are coordinated. Tours through our 37th Street office in San Diego include the operator long distance center. Give us a call at your local Business Office, HOPkins 6-3201 and we'll be glad to arrange all the details for your group.

CROWN BURGERS FOR A QUEEN—Vicky Lee Meler, pretty enough to be a queen, opens wide for a bite of a Crown Drive In 19 cent hamburger. Vicky, a junior at Mt. Miguel high school, is an employee at the Crown Drive In, 8251 Broadway, Lemon Grove, which is celebrating its third anniversary Thursday, Friday, Saturday and Sunday of this week. Their regular 19 cent hamburgers can be purchased for six for \$1 in honor of the occasion during the four day celebration, according to Sid Zolot, proprietor. Free coffee will be served all four days and free balloons will be distributed to the kiddies. The drive in is open seven days a week. Closing time is midnight on Friday and Saturday and 10 p.m. on other nights.

INCOME TAX FAX

This series, dealing with income tax problems, was compiled by the Society of California Accountants and will appear in this newspaper until April 15, deadline for filing income tax returns. It is presented as a public service to readers by the Society of California Accountants and this newspaper.

What form shall I use for my 1958 federal tax return?

You have a choice. Form 1040-A, short form 1040 or long form 1040.

The card return form 1040-A for 1958 filing has been revised to cover employees with incomes up to \$10,000.

The new card form may be used by any individual with total income of less than \$10,000, consisting of wages reported on form W-2 and not more than \$200 in dividends, interest, and wages not subject to withholding.

Husband and wife also file a joint return on form 1040-A if their combined income does not exceed these limits.

By using form 1040-A, you automatically claim the standard 10 percent deduction allowed by law for personal expenses such as contributions, interest payments, medical expenses, and the like. If your allowable deductions for these items is in excess of 10 percent of your income you must use the regular form 1040 if you wish to claim them.

Taxpayers with incomes under \$5,000 may figure their own tax or have Uncle Sam do it for them. If you owe some tax, this is a good way to get some extra time in which to pay it. Since the law does not permit this choice to be extended to incomes up to \$10,000, taxpayers having \$5,000 or more income must figure their own tax and remit with the return 1040-A.

1040 SHORT FORM

If your adjusted gross income is more than \$10,000 and your itemized deductions are less than 10 percent of your adjusted gross income, you should use short form 1040.

1040 LONG FORM

If your adjusted gross income is over \$10,000 you must use this form. If your itemized deductions are over 10 percent of your adjusted gross income, it will be to your advantage to use this form.

To assure any benefits of the split-income provisions, you and

your wife should file a joint return. Both you and your wife must sign a joint return. One spouse cannot file a long form 1040 and take all the deductions when the other spouse files a form 1040-A or take the standard deduction or use the tax table.

You are expected to pay your income tax on the basis of the lowest figure possible; therefore, you should choose the form that results in the lowest tax for you.

County Seeks Replacement For Retiring Road Commissioner

Replacement for retiring Joseph H. Mack, county surveyor and road commissioner, will be sought during the next six weeks, according to C. G. Swanson, director of personnel for the county.

The candidate selected will be appointed in April to fill the vacancy being created by the retirement of Joe Mack, who has served in this position for 12 years.

Recruitment will be carried on throughout the state during the next six weeks to encourage applications from professional registered civil engineers with administrative experience.

The county surveyor and road commissioner serves as the administrative head of both the surveyor's office and the road department. The number of employees in these departments total 378 at the present time.

The salary for this position is from \$16,116 to \$17,772 per year. Appointment will be made by the board of supervisors, based on the result of a civil service examination by two special boards of examiners. Board A

will make an appraisal of the applicant's qualifications, supplementary statement and reference checks. Board B will conduct personal interviews in San Diego of candidates found qualified by Board A.

The final date for filing applications with the San Diego County Department of Personnel is February 18.

Polio Deaths Drop Sharply In SD County

The hundreds of thousands of Salk vaccine inoculations given in San Diego county since 1955 are beginning to show dramatic effectiveness, according to a recent report from the San Diego Department of Public Health.

Poliomyelitis deaths in the county dropped from a pre-vaccine high of 36 in 1952 to only two in each of the last two years. In 1957, two years after the advent of Salk vaccine, San Diego county had only 22 cases of paralytic poliomyelitis reported. Through November, 1958, that figure dropped to 12.

It is important that persons not yet protected by Salk vaccine see their physicians to begin a series of inoculations as soon as possible. By acting now, some immunity may be built up before spring and its warm weather bring the traditional rise in the incidence of poliomyelitis in the county.

It is particularly important that young fathers seek this protection. Almost one-third of the poliomyelitis cases reported in San Diego county through November, 1958, occurred among potential breadwinners, young men of 19 to 29 years of age.

Grove Man Makes Million \$ Group

A Lemon Grove man, Robert J. Long of 1701 Dayton street, has qualified for the National Life Insurance Company of Vermont's Million Dollar Round Table.

He also qualified for the company's exclusive President's Club last year and will attend a meeting in Nassau in April.

MUSIC APPRECIATION — Four students of Mt. Miguel high school who are taking part in publicizing the San Diego Symphony Association Young People's Concert series are Dallas Widick, Sharon Lubo, Robert Drew and Charles Miller. Series starts this week on Thursday at Russ auditorium. Other programs are scheduled for February 26 and April 18. Single tickets are available at 50 cents each and are available at the high school.

'Music And Theatre' Title For First Of Three Junior Symphony Concerts

"Music and the Theatre" is the title of the first of three concerts to be held for the public, parochial and private junior and senior high schools students of San Diego city and county. The concert will be held at the Russ auditorium Thursday of this week at 3:30 p.m.

The concert will be directed by the symphony assistant conductor, Daniel Lewis.

The program will include Felix Mendelssohn's overture to "A Midsummer Night's Dream," Richard Wagner's Prelude to Act 3 of "Lohengrin," Virgil Thomson's background music for the documentary film, "The Plough that Broke the Plains" and Frederick Loewe's music for the musical, "My Fair Lady." Bob Hower, television production coordinator who conducts the "Teenage Show" on Saturday afternoons over a local channel, will serve as narrator for "The Plough that Broke the Plains."

Special buses transport local students needing rides to the concerts. Purchase of tickets for the concert may also be purchased at all schools. Price is 50 cents. Tickets for the concert may also be purchased at the Russ on the day of the concert. Dates for the remaining concerts are February 26 and April 18.

'Drifting' Topic For Services

"Drifting" will be the Rev. William T. Nichols' sermon topic for the 9:45 and 11 a.m. worship services Sunday in Vista La Mesa Christian church. The junior choir will sing "Show Me What I Ought to Do" at the first service and the sanctuary choir will sing "All For Jesus" at the second.

Miss Dimple Heather, missionary on furlough, will speak at 7:30 p.m. as a part of the world friendship school evening session. Her subject will be "Disciples of Christ in Mexico," as she gives first-hand information of work in the Aguascalientes area in southern Mexico.

The 25-35 class will be hosts and serve light refreshments at 6 p.m. in fellowship hall for the informal period of singing led by Winifred Sigars and the games led by Mr. and Mrs. Charles Davis. Classes convene at 6:40 with worship following in the sanctuary at 7:30.

Small Businessmen's Tax Reference Book Available From IRS

A simple, easy-to-read, comprehensive 125-page reference book on federal taxes is now available in most branch offices of the Internal Revenue Service, Robert A. Riddell, district director, has announced.

Designed especially for small businessmen, it discusses, in non-technical language, many of the federal tax problems incident to conducting trade, business, or profession, a new business, acquiring a going business, and selling a business.

Federal income taxes, excise taxes, social security taxes, and withholding taxes, as they apply to corporations, partnerships, and sole proprietorships, are described in detail with numerous examples in the 35 cent booklet. Changes in tax laws which took place in 1958 are also explained. The booklet is designed to help in the preparation of federal tax returns for 1958 and fiscal years ending in 1959.

Featured in booklet form is a 1959 tax calendar which tells when to pay various taxes, file tax returns, and do other things required by law. A check list of the various taxes is also listed.

Local Printer Listed As Suicide Victim

Services for Albert John Diederich, 53, a printing pressman and foreman who committed suicide Saturday, were held Tuesday at Merkley Austin mortuary followed by entombment.

He died at Mercy hospital Saturday after he was found earlier in his basement workshop at his home at 1901 Ensenada drive, by his wife Ava.

He suffered a bullet wound in his head from a .32 caliber revolver.

Mr. Diederich was a member of the Eagles and was secretary-treasurer of the printing pressman's local. His wife said he had been ill for two months and had been depressed.

He is survived by his wife, Ava; two sons, Albert Junior and Richard, and a daughter, Kathy Lee, all of San Diego county; two brothers, Joe of Seattle and Martin of Denver, and a sister, Mrs. Gretrude Teig of Seattle.

There are also two grandchildren. Art Berry, owner of the Lemon Grove Sporting Goods store, and his wife left Wednesday of this week by auto for a 10-day vacation trip to Yamhill, Oregon.

While there the Berrys will fish and visit with Mr. and Mrs. Henry Click who were recent visitors at the Berry home.

Davenport Rites Held Monday

Trixie Davenport, 55, of 1432 Melody lane, El Cajon, died January 8 after a lingering illness. Funeral services were held Monday at Conrad Lemon Grove mortuary followed by interment at Mt. Hope cemetery.

Mrs. Davenport's parents, the late Mr. and Mrs. Tim Stone, were longtime residents of Lemon Grove.

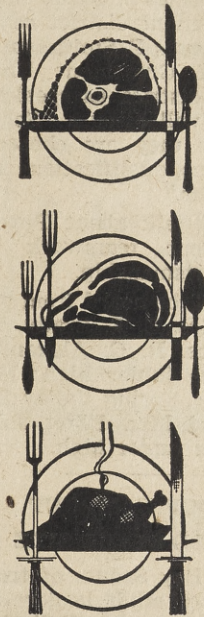

Mrs. Davenport is survived by her husband, Elie and four sons and three daughters. All of the children live in San Diego county except one daughter.

Bigger Water Lines Set For Central

Replacement of six-inch water mains with 12-inch lines along Central avenue in Lemon Grove was among the times of a contract for \$169,883 awarded to the Utility Construction Company of El Cajon by the Helix Irrigation District.

Other items include the installation of 1,735 feet of eight-inch mains along Greenfield drive in El Cajon; increase in size of water lines in a section of Fletcher Hills, and installing of 2,612 feet of pipe in La Mesa near Norman street.

chamber and the Boosters club (merchants division of the chamber) was promised. Parker said 300 members would be set as the chamber goal this year. Membership presently is 159.

He said the improvement of Lemon Grove's lifeline, Broadway, would be taken on as a major project this year. He named Harry Griffen, long time champion of improvements on Broadway, as chairman of the committee for this project.

Another committee to be established is one to study the economic effect of a large shopping center, such as the College Grove center, on an established community. The committee will be charged with gathering information on the shopping habits of National City.

Jim Spears, vice president, said the program adopted by the directors was a realistic and sound one and was destined to be successful in all respects.

Foothills Council CCPT Meets This Week in El Cajon

Foothills Secondary Council, ninth district CCPT, meets this week on Thursday at Veterans Memorial building in El Cajon. Coffee will be served at 9 a.m. Mrs. John Thompson, council president, will preside over the business meeting.

"In the Community" is the topic for this meeting. It follows the general theme "It's High Time—We Expand Our Circles."

Because of the interest shown by the 10 local associations in Foothills Council, Mrs. Earl A. Casner, council program chairman, will present a symposium with Mrs. Charles S. Goode, member of Grossmont district school board, and Lewis F. Smith, superintendent of Grossmont Union High school district, as speakers. Mrs. Goode will discuss "School boards—How they are chosen—their functions, qualifications and responsibilities."

Smith will talk about Parent-Teacher-Student teamwork in teaching sportsmanship.

Reports will be heard from unit presidents Mrs. E. F. Brady, Helix high; Mrs. R. C. Alexander, Lemon Grove junior high; Mrs. S. K. Solleder, Spring Valley junior high, and Mrs. Elliot Johnson, Lakeside junior high.

LOCAL TROOP CAMPOUT HELD AT OLD STAGE SITE

Forty-two Boy Scouts of troop 311, and seven adult leaders enjoyed a campout at Vallejos Stage Station for two days last week. An evening ceremony was held around the fireplace inside the historic old station building.

Former Newsman Named Kiwanian Of The Year

Ray Graham, former editor-publisher of the LEMON GROVE REVIEW, was named Kiwanian of the Year Saturday by the Lemon Grove Kiwanis club.

Graham edits the club's weekly newsletter, the Kiwanigram. He was presented with a scroll and trophy at the club's annual dinner dance at the Admiral Kidd club. Graham also received a seven year perfect attendance pin.

Other Kiwanians who received awards are: Dr. Robert Burns, for making a float for use in various parades; Jack Koop, for house committee service; Bob Howell, for the Toys for Tots project; Clarence Allen, for the annual Kid's Day program, and Thad Butts, a plaque for service last year as the club's president.

Also Stan Rogers and Jack Vickery, for the club's Apple Day project; Dr. Frank Gigliotti, for community service; Paul Reynolds, for interclub sponsorship; Frenchy Faucher, for party arranging; Virgil Dues, for Key Klub activities; fire chief H. O. Hensley, for general committee assistance, and Robert Sutton, for the financially successful pancake supper project.

Lunch Style Shows To Be Resumed

Fashion shows will be returned to Michael's starting February 6, according to Joe Peppito, proprietor of the steak house.

He said styles would be supplied by Helen Gaudin's Style Shop and Patricia's Sportswear, both located on Broadway.

The show will be presented every Friday at noon. There will be no additional charge for the show for luncheon customers.

Twirlerettes To March For March Of Dimes

The Twirlerettes, Lomita Village girls' marching baton twirling group, first place winners in the Oceanside Mid-Winter Band Review December 6, will march for the March of Dimes in a parade Sunday of this week at National City.

The Twirlerettes consists of 30 girls and are headed by Madeline Heredia.

ENGAGEMENT TOLD — A month's end wedding was announced for Miss Beverly Sue Johns, daughter of Mr. and Mrs. W. Eddie Johns, 7641 Circle drive. She will be claimed by James J. Easterling, son of Mr. and Mrs. James C. Easterling, 8120 Jefferson street.

The engagement was announced at a champagne toast family circle holiday get-together at the bride-to-be's home. Miss Johns is a senior at Girls School Cathedral. Mr. Easterling, who was at one time associated with this newspaper, attended the University of San Diego.

Radio Store Sold To San Diego Man

George Scott of 3533 Meade avenue, San Diego, Tuesday took over as new owner of the Oylor Radio Repair store at 7316 Broadway, Lemon Grove. The store has been renamed Broadway Auto Radio & TV Repair.

Scott plans to add to the store's stock by inaugurating sales, repair and installation of auto speedometers and auto air conditioning. He will continue to sell and service home radios, television sets and auto radios.

Scott has leased a lot next door to his store for parking facilities. Another employee will be added next month, Scott said. He has been in radio and television repair work for 10 years and completed a course for that career at San Diego junior college. He has lived in San Diego county for 16 years.

Goodwill Industries

Slate Doll Show

The women's auxiliary of Goodwill Industries is sponsoring and hosting the 23rd annual Goodwill doll show which will be held February 2 through February 7, 9 a.m. to 4 p.m., at the Goodwill Industries headquarters, 402 Fifth avenue, San Diego.

There will also be guided tours of the organization showing handicapped persons at work from 9 a.m. to 11 a.m. and 1 p.m. to 3 p.m.

The doll show will feature numerous unusual Goodwill doll collections and rare and outstanding dolls of private collections.

Visitors are welcome and admission is free.

C ofC 'Spit and Polish' Vital

would have to apply "spit and polish" to their merchandising habits to keep pace with growing business competition. "This can be either a threat or a challenge," Reed said.

Reed also talked on his service in Sacramento from where he had just returned.

"Chambers of commerce can be more effective than they realize by making their wishes known to legislators," he said.

The good reputation enjoyed by chambers gives weight to requests, he pointed out. "Many lawmakers are seeking a sense of direction," he said. "In such cases a chamber weighs far more influence than it realizes."

He condemned the attitude of some lawmakers in Sacramento who "would close mouths of business firms by controlling newspaper advertising." "This," he said, "would be a means of bolstering Socialism in the state."

Pioneers Meet Two LA Clubs This Weekend

The University of San Diego's undersized basketball squad will close out the first round of its 1958-59 season this weekend against favored Pasadena and Pepperdine Colleges.

The first half of the Los Angeles weekend doubleheader will begin Friday night at 8:15 in Pasadena's memorial auditorium, site of Pasadena's 83-70 win last year over USD. The Crusaders went on to compile a 27-4 record last year and advanced to the NAIA quarterfinals before being eliminated by Western Illinois 83-80.

Pasadena coach C. A. Cartwright has coached three Crusader teams to a brilliant 74-20 record and helped a blond sophomore named Jim Bond become a two-time unanimous small college All-American selection. Bond is now director of intermural athletics at Pasadena college.

On Saturday night the Pioneers will move across Los Angeles to meet Duck Dowell's powerful Pepperdine club. Sterling Forbes, 6-6 center, has averaged better than 21 point in 11 games and has contributed greatly to the Waves' 74 record.

Forbes was named to the All West Coast Athletic Conference team last year as a sophomore and led the conference in scoring with 16 points-per-game. The former Los Angeles Jordan-1956 "City Player of the Year" has good scoring support from teammates Bobby Blue (13.0 points-per-game) and Bobby Sims (12.1).

The Pioneers resume play on January 30 meeting San Fernando State at Northridge.

Square Dance News . . .

LEVIS & LACES

The regular party night held January 3 was enjoyed by the 11 squares of dancers who danced to the calling of Clarence, Roy Close, Bill Keller, John Fisher and Bill Ott. As usual the music was furnished by the H and H Tunetwisters. The drawing was won by Jack Sailors. Many of the Lariats club members were in attendance. Persons attending the New Year's Eve dance reported having a wonderful time.

Future events for the club are the March of Dimes dance to be held Saturday at Mt. Miguel high school; a reunion dance in February, the fifth anniversary dance on the first Saturday in March, and an overnight campout at Camp Cuyamaca.

The beginners' class, held on Monday nights is now in its sixth week.

The first half hour of the Wednesday night dances is a workshop where dancers may keep up on the very latest in square dancing.

COUNTRY COUSINS

Ed Walsh of 9485 Janfred Way, Le Mesa, has been reelected president of the Country Cousins. Other officers elected were: John Akers, vice president; Florence Reed, corresponding secretary; Les Crane, recording secretary; Nolan Flowers, treasurer; Edna and Cotton Shugart, entertainment chairmen; and Millie Ger-shon, publicity chairman.

JR. LEVIS & LACES

Keeping pre-teens and teenagers happy and busy is the aim of the adult governing board of the Junior Levis and Laces.

At the weekly Thursday night dances at the Lemon Grove Woman's Club, 300 children get together for an evening of fun and entertainment. The 300 children are divided into three groups—a beginners group which is taking lessons, a pre-teen club and a teenage club. The two clubs have their own officers who meet with their club caller and club chairman to plan special events and carry out routine club work. Slim McInroe is the caller and Mrs. Joann Mandrell is the club chairman.

Hours for the groups have been worked out as follows: Beginners from 4 to 5:30 p.m.; pre-teen club from 5:45 to 7:15; and the teenage club from 7:30 to 9 p.m.

Annual events and parties are planned by the children. Special events call for extra parties such as promotions and graduations for the classes, swimming and skating parties.

A new beginners class starts Thursday of this week at the Lemon Grove Women's club-house, Main and Olive street, from 4 to 5:30 Thursday evenings. For further information call HO 3-6167 or HO 6-7317.

FRONTIER SQUARES

Installation of officers was held recently at a double board meeting at the home of Connie and Ernie Merino. The outgoing president, Dan Boone, presented the gavel to president elect Jerry Meadows, who outlined an active and festive program for the next six months.

Frontier Squares visited Dudes & Dolls at the El Cajon armory Friday. Emcee Bion Henderson provided the calling.

The regular second Saturday night dance was well attended. Guest callers Clarence Montgomery and Harold Eberwien contributed to a very enjoyable evening.

"Wild Bill" Keller, in cooperation with Larry Garrett will hold a beginners roundup at Spring Valley junior high school on Saturday.

The "Beach Party" dance has been set for January 24. "Wild Bill" Keller will emcee the gala affair at the Spring Valley junior high school.

Girl Only Baby Born In Lemon Grove Area

Only one baby was reported born in the local area from January 1 to January 8 at local hospitals.

The baby, a girl, was born January 7 at Grossmont hospital to Mr. and Mrs. Jimmie Royce Rogers of 1618 Cameron drive, Lemon Grove. She weighed six pounds, seven ounces.

OVERNIGHT-IT'S FORD!

WHY?

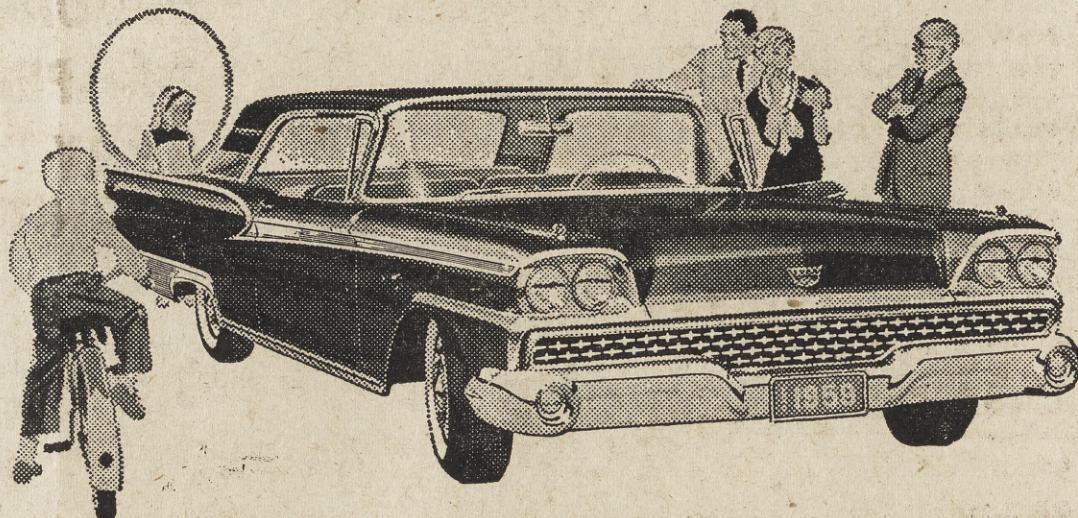

America has voted on the new 59 cars—and it's Ford all the way. Right across the country, Ford is selling 'way ahead of its closest competition—why?

Because Ford is Built for People. It's easier to get in and out, with Ford's wider doors. All six passengers, not just four, ride in full-depth seats. There's more head room, leg room, stretch room, trunk space.

Because Ford's Prices are Lowest. Check the price tags and you'll see, Ford's lowest priced of the most popular 3.

Because Ford is Built for Savings. You save up to a dollar a tankful—with Ford Six and Thunderbird V-8 engines that thrive on regular gasoline. You need change oil only every 4000 miles. Diamond Lustre Finish never needs waxing.

Yes, Compare! We Ford Dealers invite comparison. We would love to put you behind the wheel and let you sample the terrific, new Ford.

The Dimmer VIEW

(Continued)

He now gets \$7.80 a year. That's 15 cents a week.

Well, it has finally happened. The actual work on the College-Grove shopping center got under way this week. The contractors say they will meet the schedule set by the developers through which retail sales will be conducted in Spring, 1960 on land which is now barren.

This center will be competing with the present local business firms for your retail dollar. This, quite naturally, concerns the local firms who have earned, and hope to retain, your loyalty.

The health of any community fails when its business community becomes ill. No one wants this to happen to Lemon Grove. Not even the merchants who will populate the center.

In the opinion of Mr. George Scott, father of the development, such a condition needn't arise.

The business community of Lemon Grove can prosper in a fashion it never dreamed possible, he avers, if it will collectively dress itself up and gird for battle.

While Scott will have the major retail outlet in the center, he none-the-less has poured considerable money into the community through the local chamber of commerce to assist the business community into a stronger competitive position . . . actually, competition against himself.

With this, and other help, the chamber program has listed as a key project this year the improvement of Broadway. President Parker said it is his intention of spurring action on all fronts leading to the completion of this project.

This project, and other vital ones yet to come, under the guidance of a strong chamber of commerce, certainly lends optimism to the picture of the tomorrows that make up the years ahead.

Lawyer Is Speaker At Civil Liberties Group Meeting

Attorney A. L. Wirin, counsel for the American Civil Liberties Union of Southern California, will speak at a public meeting at 8 p.m. Monday at the San Diego hotel.

His topic will be "The Powers of the Police and the Rights of the Citizen," said Harvey Furgatch, 2219 Morose, Lemon Grove, president of the San Diego chapter of the ACLU, sponsors of the event.

LG Inventor Dead At 82

Funeral services were held Wednesday at Erickson-Anderson mortuary for Louis Schulte, 82, of 7770 Canton drive, Lemon Grove, who died Saturday at a hospital.

Mr. Schulte had lived in this area for 22 years and was a native of Germany. He was a civil engineer and held the patent rights for a stainless steel metal polishing machine which is manufactured in Los Angeles.

He is survived by his wife, Martha; a son, Louis Jr. of Denver, and a daughter, Elizabeth of Lemon Grove.

Gray Rites To Be In St. Joseph, Missouri

Funeral services for John H. Gray, 89, of 2835 Massachusetts avenue, will be held in St. Joseph, Missouri. Mr. Gray died January 6 at his home.

He was the uncle of Geraldine Farnan of the same address.

Local arrangements were handled by Conrad Lemon Grove mortuary.

Jackpot Drawing Prize Increased To \$1,600 Friday

The Lemon Grove jackpot drawing, sponsored by Lemon Grove merchants and the Boosters Club, will be increased to a total of \$1,600 when it will be held at 7 p.m. Friday of this week at the plaza. Only one prize, a \$20 consolation prize, was awarded last week. It went to R. L. Castiglia of 9460 Montmar drive, Spring Valley.

The unclaimed first prize of \$150 Friday would have gone to Mrs. Peter Alesi of 8235 Jamacha road. Her ticket was for 10 percent of the \$1,500 total prize. Mrs. Alesi did not attend the drawing.

Other names drawn for consolation prizes were: Alice Sackman of 7843 Lincoln street; H. Ursillo of 8120 Ray street, and M. J. Bookbinder of 2841 Skyline drive. None of the persons mentioned above were at the drawing.

Merchandise prizes were awarded to: James Rawley, Howard Jennings, Marie Hooper, Mary Coffin and I. C. Orr.

Tickets for the drawing can be obtained from Lemon Grove merchants free of charge.

DOROTHY DIGS in the garden

by Dorothy Jonson

Since these are the days when we set out young fruit trees, I'd like to offer a friendly warning: Don't plant the fruit trees in the middle of a lawn or close to shrubbery. Fruit trees require an entirely different program of irrigation than your lawn or your garden in general . . . and if you plant them by themselves, you can irrigate long and deep at the proper time without giving too much water to other things that don't need it.

All through the hot summer months I am confronted with problems that come from improper watering, mostly from people who have the problem of watering fruit trees and other varieties of plant life growing together. Plant your fruit trees in an area by themselves.

Also, you literally take out an insurance policy on newly planted trees by using a borer solution (ethylene dichloride) in the moist soil around the base of the tree immediately after you plant it.

La Mesa Recreation Department Baton Corps To March In Parade

It has been announced by the La Mesa Recreation Department that their baton corps, the Flashettes and Little Sparks, have been invited to march in the March of Dimes parade Sunday at 2 p.m. in National City. The Little Sparks took third place in the North Park statewide baton competition held last fall. The corps are under the leadership of Miss Deanna Flester.

The La Mesa Recreation Department also announces it is offering two new charm and modeling classes starting February 2. The classes will be held each Monday and Tuesday from 4 to 5:30 p.m. for 10 weeks under the direction of Mrs. Virginia Bunch. The classes will offer instruction in conversation, charm, make up, manners, etiquette, voice control, skin and hair care, grace, good grooming, figure control, poise, personality, dating manners, modeling clothes, how to choose clothes wisely, etc. Classes meet at the Fine Arts Center, 8055 University. Classes are limited. Reservations can be made at the Recreation Department office, 8440 University.

Free tennis lessons are being offered by the department at Helix high school tennis courts each Saturday morning and afternoon. The lessons are for boys and girls eight years and up. Adult lessons are given at 2 p.m. According to Bob Keller, instructor, only a tennis racket is needed. For further information phone HO 9-4128.

Women's Group To Visit Studio

The regular social meeting of the vogue section of the Lemon Grove Woman's Club will be held Tuesday. The group will meet in the club house at 8 p.m. and as a surprise entertainment will go from there to visit the Universal Studios in La Mesa at approximately 9 p.m.

The regular board meeting will be held January 27 at the home of Mrs. Michael Connolly, 6721 San Miguel, Lemon Grove, at 10 a.m. Mrs. Thomas Duffner, Jr. and Mrs. Michael Connolly are hostesses.

PENSACOLA, Fla. (SPCL) — A first solo flight was made December 11 by navy Ens. Bruce L. Craig, son of Mr. and Mrs. W. B. Craig of 2304 Loma drive, Lemon Grove.

In addition to solo flights, he is being instructed in communications, navigation, engineering, athletics, aerology and Civil Air regulations during basic flight training at Pensacola, Florida.

The island of Java is the most thunderous spot in the world. According to The World Book Encyclopedia, the Indonesian island averages at least 223 storm days a year.

Boat Inspection Slated At Lake

Fishermen planning to use private boats on Lake Murray for trout fishing season may have their boats checked for clearance prior to January 21, opening day at the lake.

Robert Simpson, caretaker in charge of Lake Murray, will inspect private boats at the lake on Saturday at 10 a.m. This will enable fishermen to launch their boats on opening day without waiting for an inspection.

Private boats of no more than five persons capacity may be used at the lake for a charge of \$2 per day or \$1.50 per afternoon. Outboard motors rated at 7½ horsepower or less may also be operated on the lake.

March Of Dimes Dance Saturday

The Levis and Laces square dance club sponsored dance for the March of Dimes will be held Saturday night at Mt. Miguel high school, 1800 Sweetwater road. All proceeds will go to the March of Dimes.

Many square dance callers are expected to be on hand, as well as performers from other area square dance clubs. The H&H Tunetwisters will provide live music.

A drawing for merchandise gifts will highlight the event. The public is invited. Donations are \$1 per couple.

☆ Any one of the four deck-edge elevators on the navy's newest aircraft carrier, USS Independence, could hold two suburban lots complete with homes and landscaping.

Western Dealer In Long Beach

Philip D. Morris of 7771 Broadway, owner and operator of the Western Auto associate store here is attending a Western Auto merchandise show at Long Beach. He will be accompanied by Mrs. Morris and Mr. and Mrs. Henry Braegger.

"My wife and I really enjoy attending these shows," Morris stated. "There are demonstrations, product information clinics, and meetings, all designed to enable us to serve our customers better and formulate our selling plans for the coming year."

Morris explained the Long Beach merchandise show is one of 17 which will be held in January throughout the United States for more than 3,600 home-owned and operated Western Auto associate stores.

"We're looking forward to seeing brand-new power mowers, lawn and garden equipment, air conditioners, appliances and outfitting equipment plus thousands of other items."

Hypnosis Explained To Members Of Grossmont Hospital Auxiliary

Dr. Wayne Funk used a Grossmont hospital women's auxiliary member to demonstrate "The Uses of Hypnosis in Modern Medicine" when he addressed the Grossmont hospital auxiliary Friday at the group's general meeting.

Dr. Funk pointed out the difference between hypnosis as a stunt and its use in medicine. Hypnosis is often used in dentistry, obstetrics and psychiatry.

Announcement of another \$1,000 donation by the Grossmont hospital gift shop, operated and staffed by the auxiliary, to the auxiliary's philanthropic fund, was also made at the meeting.

The auxiliary also ratified proposed by-laws revisions which will open regular membership to girls 16-years-old and require all new members to be indoctrinated. A recommended change in policy regarding hospital aides' assignments was also approved.

Mrs. Frank N. Evans will be chairman of the group's sixth annual Harvest Ball October 3, it was announced.

Three women were elected to the nominating committee, each from a different area. Elected were: Mrs. John Landesco, Lemon Grove, Spring Valley, Jamul; Mrs. A. J. Monteverde, El Cajon; and Mrs. Charles H. Muller, Fletcher Hills.

Changes in the auxiliary calendar, announced at the meeting, include: a sewing bee for La Mesa members January 23, 10 a.m., at the home of Mrs. L. R. B. Henrikson, 8509 Chevy Chase drive, La Mesa; the Lakeside area meeting at 10 a.m., February 11, at the home of Mrs. Charles Roether, 1250 Cajon road, El Cajon and the general indoctrination course to be held January 23, 9:30 a.m., at the Grossmont hospital cafeteria.

Hospital Head Gets Salary Increase

A raise of \$800 a year was given to Grossmont hospital administrator Louis Peelyon by the hospital district's trustees last week and a letter of commendation was scheduled to tell him of it.

This brings to \$16,000 a year the salary Peelyon will receive starting immediately, a hospital spokesman said.

Ground-breaking ceremonies for the new wing of Grossmont hospital will be held Friday at 1:30.

Program will last approximately 30 minutes.

The public is invited. The letter was written by Paul Engstrand, hospital district counsel, at the request of the trustees, to thank Peelyon for his assistance in preparing plans for the hospital addition.

The \$800 increase was approved because Peelyon had been chief consultant for the hospital's 134-bed addition, the spokesman declared. Peelyon has been with the district since it was formed in 1952.

Peelyon was attending a meeting of the state and federal bureaus of hospitals in San Francisco where the financing and contracts for the addition were approved when the trustees handed out the raise.

Contract for \$1,699,500 with Trepte Construction Co. of San Diego, for the hospital addition was scheduled to be signed this week. A contract for \$29,653 with the American Sterilizer Co., for surgical and sterilizing equipment for the new addition has already been signed.

The trustees elected Marvin Jackson president for the eighth successive year.

Col. Salomon Is UN Speaker

Colonel Irving Salomon of Escondido will be the featured speaker at the annual meeting of the San Diego chapter, United Nations Association, Monday at noon in the Don room of the El Cortez hotel.

Colonel Salomon recently was appointed, by President Eisenhower a U.S. delegate to the United Nations. He visited Russia this fall as a representative of AAUN. Reservations for lunch, \$2.25, can be made by calling BE 3-3970 before January 17.

University Women To Finger Paint

The art study section of the La Mesa branch, American Association of University Women, will hold a meeting on January 20, 7:30 p.m. in the home of Mrs. William C. Carden demonstrate the art of finger painting. Later members will join in the fun of creating their own masterpieces.

The international relations committee will meet on January 21, 7:45 p.m., in the home of Mrs. Ray Simms, 7950 El Capitán drive, La Mesa, with Mrs. Lester B. Orr acting as co-hostess. Mrs. Lee Banghart will review the highlights of her European tour last summer with emphasis upon the economic problems of some of the countries she visited.

Delta Zetas Plan Breakfast, Workshop To Make Decorations

The San Diego alumnae chapter of Delta Zeta national sorority will meet Saturday at 10 a.m. for a combination breakfast and workshop to be held in The Original Pancake House, 7553 El Cajon boulevard, La Mesa.

At the workshop, decorations will be made for the February meeting of City Panhellenic, which the sorority will co-host with Delta Gamma sorority. The decorations theme which Delta Zeta has chosen is "San Diego's Bays." Miniature boats, pulling water ski enthusiasts, will be named after the 19 sororities belonging to City Panhellenic. Miniature bales of cotton will lie between the boats.

General chairman of the committees is Mrs. John A. Fitzpatrick. She will be assisted by Mrs. John P. Gimbel and Mrs. Garrett McClung.

Amazing preparations made from the source of life give your skin a second start in beauty

Perhaps once in ten years there's a scientific discovery that revolutionizes the beauty world. Such a discovery had to happen before you could own these new preparations—DuBarry Crème Natale and Elixir Natale.

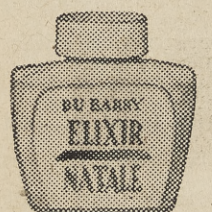

These amazing cosmetics act swiftly to soften, to tighten... they seem to smooth out tiny lines and wrinkles. They give your complexion a tone that's fresher, a texture that's finer, a look that's incredibly younger.

Their secret is as simple—yet as complex—as the secret of life itself! It is a vital substance DuBarry calls Placentine... a rich combination of the very proteins, vitamins, enzymes and esters that help promote skin cell growth before birth. Placentine penetrates to the cellular layer of the skin. Instantly, it starts to increase the flow of natural oil and moisture... coaxes a youthful elasticity into the skin... helps banish the drying, faded look of age!

No matter what else you use, smooth on the Placentine Preparations once each day. They help your other cosmetics do more for you. And they give your skin—immediately—a miraculous second start in beauty!

Crème Natale is a classic complexion cream actually compounded with the pre-birth vitamin and mineral ingredients that help promote the growth of healthy skin. It is formulated to wear by night. Price 7.50*

Elixir Natale is a lotion made with the same precious ingredients. It is formulated to wear by day, or as a lighter night-time treatment. Price 7.50* plus tax

Engagement Told

Mr. and Mrs. Kenneth Bowers of 3314 Fairway drive, Brookside, announce the engagement of their daughter, Jessie Laverna, to Russell Jack Thomas, son of Mr. and Mrs. Howard A. Thomas, 3311 Helix street, Spring Valley. No wedding date has been set. Miss Bowers, a senior at San Diego State college, is a graduate of Foxboro, Massachusetts, high school. Thomas, who is employed at the Spring Valley postoffice, is a graduate of Grossmont high school and attended the California Baptist seminary at Covina. Miss Bowers and Mr. Thomas are active in the music department of the First Baptist church of Spring Valley.

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review,
and Spring Valley Bulletin:

Dear Editor:
Your continued cooperation with the Department of Public Health through 1958 in keeping the people of this county informed of developments affecting their well being has been a real public service.

You have the appreciation of us in public health for the coverage you have given the public health activities—the opening of the new health centers throughout the county, the chestmobile, immunization against paralytic polio, inoculation of dogs against rabies, the annual report of the Department of Public Health, the alcoholic rehabilitation clinic and the work that is being done in San Diego county for air pollution control.

These are but a few of the news stories on public health which you have carried during the year. All that you have carried on public health has had an important effect in keeping the people of San Diego county well informed. Without an informed public it would be impossible to carry out a public health program. You may justifiably take pride in the part you play in protecting the public health.

Sincerely yours,
J. B. Askew, M.D.
Director of Public Health
County of San Diego

Editor,
Lemon Grove Review
Lemon Grove, California

Dear Editor:
I would like to take this opportunity to thank and commend the Lemon Grove Fire Department for their fast and efficient service which helped save the life of my husband recently.

On December 17 my husband, Albert, suffered a heart attack at our home. I telephoned the Lemon Grove Fire Department immediately and they arrived in only a few minutes with a resuscitator which they put to work immediately. My husband recovered and is now feeling fine, thanks to those firemen. It gives you a good feeling to know you have someone ready at all times to give fast, efficient service such as the fire department.

Sincerely,
Mrs. Albert H. Jones
8275 Adams avenue,
Lemon Grove

Area Real Estate Sales Up 68 Percent

December real estate sales in the Lemon Grove, Spring Valley and La Mesa area increased 68 percent from the same month a year ago. Statistics in Trends, a monthly real estate publication of Union Title Insurance Company, show 354 sales for the month compared to 211 for December, 1957. Sales also show a substantial increase from 298 recorded during November.

San Diego county real estate sales—especially in the first six months of 1959—should reflect a more hopeful consumer attitude by registering larger monthly totals, predicts Trends' editor, real estate economist James C. Downs, Jr.

Barney Maden To Be Installed By High-12

Mt. Helix High Twelve club will install new officers Friday at a dinner meeting Friday at Michael's restaurant in Chula Vista.

H. Barney Maden of La Mesa will be installed as president. Other officers to be installed are: Dr. Calvin Nicholl, vice president; Ray Lynch and Louis Russ, second and third vice presidents, respectively; Dr. Lynn E. Lande, immediate past president; Harold E. Manzy, secretary-treasurer; Walter E. Martel, international representative, and Jolly Benbrook, chaplain.

New board of directors are: John Batchelor, Andy Farrel, Horace Gibson, Cyril Gould, M. Hostetter, Clifford Poole, Dr. Robert Rosen, and F. A. Saunders.

Installing officers are Joseph Mazer and Dr. Rosen. Social hour will start at 6:30; dinner at 7 p.m. Installation will be at 8 p.m.

The club, comprised of local Masons, meets each Thursday at noon at Michael's in Lemon Grove.

Register Auto Now To Avoid Penalty, Says DMV

Motorists are being urged to apply promptly for 1959 car registration if delay beyond the February 4 penalty deadline is to be avoided.

Roland Douglass, manager of the Department of Motor Vehicles Department area office in La Mesa said the tempo of registration would quicken as deadline time neared. Waiting lines necessarily come as a result, he pointed out.

He warned that nonresident motorists whose former home state plates expired December 31, 1958, must meet a registration deadline on January 30 to avoid California's late registration penalties.

State law compels a nonresident motorist to pay a penalty if he does not register within 30 days after the statutory expiration of his out-of-state plates.

This requirement also applies to military personnel, Douglass said.

Scout News

More than 1,500 Girl Scout troops are now registered in San Diego county. This is an all-time high. If each troop would make room for two more girls, 3,000 more girls could be welcomed without training another leader.

CUBS

January being Cub Scout newspaper month, den 9 of pack 47, visited the newspaper plant of the Lemon Grove Review and Spring Valley Bulletin in Lemon Grove on January 2. Bill Morris showed the boys the machine that melts

Lemon Grove (Calif.) REVIEW
January 15, 1959 Page 9

metal for the typesetting machine, the type setting plates and the press which prints the paper. The boys were also shown the different sizes and kinds of type and the plates that make the advertisements.

Cubs who attended were Greg Tresser, Bob Johnson, Jeff and Ken Lindeneau, John and Butch Abbott, Mike Day, Ralph Ditto, den chief Wayne Muzzy and Mrs. G. D. Lindeneau, den mother. Other adults were Mr. and Mrs. B. Day, Glen Lindeneau and daughter, Mary.

County To Get \$2,794,075.00

San Diego county will receive \$2,794,075 as its share of local sales and use taxes accrued during the third quarter of 1958, it was announced last week by the state board of equalization. Of that amount, El Cajon will receive \$118,495, La Mesa will receive \$70,509 and National City will get \$138,260.

More than \$46 million will be distributed in California, records show, a 13.5 percent increase over the third quarter in 1957.

World War I Vets Will Meet Monday

The second meeting for veterans of World War I in this area will be held Monday at 7:30 p.m. at the Spring Valley chamber of commerce hall, 9050 Memory lane, Spring Valley. All World War I vets, no matter what branch of the service, and who do not belong to the San Diego barracks, are invited to join. Ten names are needed to obtain a charter for this area.

Bill Doughman, has been assigned to get the meetings under way here.

Vets in Spring Valley, Lemon Grove, La Mesa, El Cajon, and other parts of the east county are urged to attend.

Road Finances Up In 1958, Records Show

State controller Robert C. Kirkwood announced last week that street and road expenditures by California cities and counties amounted to \$289,856,360 during fiscal year 1957-58—an increase of 21.56 percent over the previous year.

The controller's eleventh annual report of financial transactions concerning streets and roads of cities and counties of California, now available for distribution, reveals that a total of \$173,976,222, or 26.63 percent more than the previous year, was made available to California cities for street purposes during the fiscal year ended June 30, 1958. The increase in dollars was approximately \$36,500,000, of which some \$23,000,000 originated from city sources, approximately \$1,000,000 from gas tax apportionments and the balance from other governmental agencies.

During the fiscal year covered by the report a total of \$129,518,493 was made available to California's 58 counties for road purposes. This amount was 9.2 percent greater than the corresponding figure for the preceding fiscal year. Of this increase local sources contributed approxi-

mately 16 percent and the balance came from gas tax monies and other state and federal sources. Expenditures by cities for street purposes during the year amounted to \$167,818,714, or 29.3 percent more than in 1956-57. Counties expended \$122,037,647 for road purposes during the 1957-58 fiscal year or 12.3 percent more in the previous year.

Press' Fight For Freedom Still On, Freeman Tells Club

Every newspaper, from the smallest weekly, to the largest daily, strives diligently to present news of the community, it represents as honestly and correctly as it is humanly possible to do, Larry Freeman told the Lemon Grove Men's Club Friday.

Freeman is east county representative of the San Diego Union and Evening Tribune and presented the first program at the club under the presidency of Captain Jesse E. Lee (USN Ret.).

Freeman said the seemingly small worries of the press, such as fighting to keep meetings open, is part of the process by which American have become the best informed people in the world. Demanding that the press be informed that closed meetings are to be held, even though reporters may be barred (meetings on personnel may legitimately be closed) is not as fine a line as it appears to be, Freeman said. It is through such needles' eyes that the camel is dragged, he pointed out.

A short installation ceremony

Gavelmasters Plan 'Elephant' Sale

A "white elephant" sale will be held this week on Tuesday by members of Unit Four, Gavelmasters, at the House of Hospitality at 7:30 p.m.

Each member and guest is asked to bring a "white elephant," to be "auctioned off" by the individual bringing it, the money to go into the treasury of the group. Percy Fraser, 820 Dorothy street, El Cajon, will be in charge of the "auction" as table topic leader for the evening. James Lahr, 2664 55th street, will be chairman of the evening. Urban Jensen, 927 Wilson, El Cajon, is president of the unit and will preside. Bruce Davidson, of San Diego, is in charge of the program. Guests are invited. Membership chairman is Joe Merritt, 2691 Grange, Lemon Grove.

Other Lemon Grove members are Mr. and Mrs. Gene Moore, 7836 Sanford drive.

Little Leaguers Tryout Saturday

All 11-year-old boys who want to play Little League baseball this year are reminded to be present Saturday at the Lemon Grove Little League ball field at 9 a.m. for tryouts. Boys who played in minor leagues last season will also tryout Saturday.

Any boy in the 8-12 age group who has not registered may also sign up at this time.

All managers and coaches will be on hand to help in assigning the boys to various teams.

Food Basket's 10th Annual JANUARY SALE CONTINUES!

Featuring Food Basket's Bonded and Trimmed Steaks . . . at Wonderful Savings

2nd EXCITING WEEK: The second week of Food Basket's famous 10th annual January Sale brings Super Shoppers still more great specials at outstanding savings. Every week, during January, Food Basket will present a different list of wonderful fine foods from all departments at special low Jan-

uary Sale prices! Take advantage of the values each week and stock your pantries, fill your freezers . . . no limits on purchases. Every department is included each week for a terrific variety of values . . . well worth a special trip! Some items listed here . . . many more at our store.

**U.S. GRADED
CHOICE**

Porterhouse and T-Bone

In so many wonderful ways, you're happier with a Food Basket Bonded Steak! And with good reason! Every steak is carefully trimmed in Food Basket's unique style to remove excess waste and fat . . . so you get more meat to eat for your money. Every steak is from the very finest U.S. Graded Choice grain-fed beef . . . you never get any mixed grades at Food Basket. To go even further, Food Basket's exclusive written Meat Bond in every package guarantees your complete satisfaction or your money back.

89¢ lb

**U.S. GRADED
CHOICE**

Sirloin

Food Basket Sirloin costs less to buy . . . because Food Basket's meticulous method of trimming removes excess waste and fat so you get more meat to eat for your money. Rich with a fine sense of flavor because every steak is from select, desirable size U.S. Graded Choice grain-fed beef. Homemakers know the nicer the meal, the happier the family . . . and there's no better way to please your loved ones than with this "family" steak that is so perfect in every way.

85¢ lb
